

WINTER SCHOOL "Translational Medicine Explained (TMex)" 1ST Announcement 28.03.2019

On behalf of the EATRIS C&S Office this is to announce that the registration for the next 5-day course on "Translational Medicine Explained (TMex)" in November 2019 (Barcelona) is now open!

The **TMex Winter School** consists of an **introductory e learning** (~10 hours student investment time) followed by a **5-day face-to-face workshop**. The course is intended for PhD students and early postdocs who are involved in biomedical research and want to learn more about Translational Medicine. The course is kindly supported by VHIR and LaCaxia Foundation.

Additional information can be found in the attached flyer as well as on [Twitter](#), [Linkedin](#) and [EATRIS website](#).

Interested in discovering the landscape of Translational Medicine?

Want to learn about the job profiles of scientists in Industry?

Then join the 2019 Winter school "Translational Medicine Explained (TMex)" which will be held in the beautiful Palau Macaya in Barcelona from **November 11th – 15th**. The fee of 450 Euro includes the 5 day course in Barcelona, catering during the course, one dinners and the e-learning. For more information see

<https://eatris.eu/insights/registration-open-for-5-day-translational-medicine-explained-tmex-course/>
or attached *Tmex_Flyer_2019.pdf*.

Review of application documents will be on a first come, first serve basis.

Confirmed speakers

Bob Harris, Professor Immunotherapy, Karolinska

Keith Williams, Director, KW Drug Developments

Mike Hardman, independent (formerly AstraZeneca)

Toni Andreu and Anton Ussi, Directors EATRIS

Joaquin Sáez Peñataro, Clinical Pharmacologist and Spanish correspondent for ECRIN
