

Presents 3OH!3

3OH!3 is an American electronica group from Boulder, Colorado, named after the 303 area code which covers Boulder, Aurora and the Denver metropolitan area. Formed in 2004, Sean Foreman and Nathaniel Motte were inspired by the hip-hop electronic scene and Foreman invited Motte to mix some beats and hang out with him. They released their self-titled debut album in 2007, but it was not a commercial success. Their second album, *Want*, was released in July 2008 and features the highly successful singles *Don't Trust Me* and *Starstruck*, which features Katy Perry.

After playing the first show in Florida of Warped Tour 2007, 3OH!3 signed on for all venues of Warped Tour 2008 with the exception of Philadelphia on July 25. Their song "Punkbitch" is featured on the Warped Tour 2008 Tour Compilation. The band has also played at national festivals such as Bamboozle Left. 3OH!3 commonly use skits and costumes during their live concerts and are known for their energetic shows. The band then headlined the 2009 Alternative Press Tour across the U.S. with Family Force 5, The Maine, A Rocket to the Moon, and Hit The Lights. The band performed in Panama City Beach, Florida for MTV's Spring Break in March 2009.

3OH!3 will again join the Warped Tour in 2009. 3OH!3 will also be apart of Kiss Concert '09 (Kiss 108), Kiss The Summer Hello 2009 @ Coca-Cola Field in Buffalo, NY, June 3rd 2009, along with Kevin Rudolf, The White Tie Affair, The Veronicas, The Ting Tings, & Elliott Yamin. 3OH!3 wrote an anthem for Major League Baseball's Colorado Rockies.
