Shy'm (Tamara Marthe) was born in Paris, France in 1985. She is signed to Warner Music. At the age of 17, after making some demos, she approached several record companies. It was then that Canadian rapper K-Marco heard her and she was sent to Montreal to record a collaboration with him, the single from his second album "Histoire de Luv."

In 2008, she released her second album, "Reflets". The album has so far sold over 100,000 copies. "La Première Fois" was the first single, followed by "Si Tu Savais" and "Step Back", which features Odessa Thornhill.

She returned there to record her own album, "Mes Fantaïes" which was released in France at the end of October 2006. It deals with several themes, of which love is recurrent, but also of her heritage and her success. It has sold close to 400,000 copies to date and spawned the singles "Femme De Couleur", "Victoire", "T'es Parti" and "Oublie Moi".

She returned in 2010 with her third album, "Prendre L'air". The first single "Je Sais" was released in March 2010 and reached number 3 on the French download charts. The second single is "Je Suis Moi".
