**NATIONAL
CONGRESS
OF CARDIOLOGY**

www.14cardiocongress.com

2-5 OCTOBER 2014

VARNA, GOLDEN SANDS RESORT

**Bulgarian
Society of Cardiology**

MEMBER OF THE ESC

**EUROPEAN
SOCIETY OF
CARDIOLOGY®**

**JOINT SESSIONS WITH
EUROPEAN SOCIETY
OF CARDIOLOGY**

PROGRAM

2014

Room A Astera Hotel

Session A1

14.00 Opening lecture - Imaging in CAD - *J. Bax*

14.30 - 16.00 Scientific Session of the Bulgarian Society of Interventional Cardiology - „Coronary interventions - dilemmas in everyday practice“

16.00 - 16.30 Coffee-Break, Official Opening of Exhibition and poster session №1 - percutaneous interventions

Session A2

16.30 - 18.00 Berlin-Chemie Satellite Symposium

18.00 Lecture, dedicated to Prof. Y. Belov - *A. Goudev*

18:30 OFFICIAL OPENING OF XIV NATIONAL CONGRESS OF CARDIOLOGY

19:00 Welcome drink

Session A3

8.30 - 10.00 Joint session of the European Society of Cardiology and Bulgarian Society of Cardiology

10.00 - 10.30 Coffee-Break and poster session № 2 - Ischemic heart disease

Session A4

10.30 - 12.00 Pfizer Satellite Symposium

12.00 - 13.00 Lunch, poster session №3 - arrhythmia and pacing

Session A5

13.00 - 14.30 Session dedicated to Dr. A. Doganov

Joint session of BSC, Bulgarian Society of cardiac surgery and Heart and Health Foundation of Turkey „Treatment options for elderly patients with aortic stenosis in 2014“

Session A6

14.30 - 15.30 Boehringer Ingelheim Satellite Symposium

15.30 - 16.00 Coffee-Break and poster session №4 - Heart failure and cardiomyopathies and №5 - Prevention

Session A7

16.00 - 16.20 Presentation Sanofi-Aventis

16.30 - 17.30 Astra Zeneca Satellite Symposium

17.30 - 18.00 Lecture, dedicated to Prof. I. Tomov - *N. Gocheva*

18.00 General meeting of BSC

Session A8

08.30 - 09.00 Focus lecture - Percutaneous closure of patent foramen ovale *J. Bialkowski*

09.00 - 09.30 Focus lecture - Challenges and solutions in primary percutaneous coronary interventions *Z. Perišić*

09.30 - 10.30 Scientific session: „Choice of revascularisation in patients with multivessel CAD“

10.30 - 11.00 Coffee-Break, General meeting of Bulgarian Society of Interventional Cardiology /room B/ and poster session №6 - Echocardiography and valvular diseases

Session A9

11.00 - 12.30 Astra Zeneca Satellite Symposium

12.30 - 13.30 - Lunch, poster session №7 - Varia

Session A10

13.30 - 15.00 Teva Satellite Symposium

Session A11

15.00 - 16.00 Actavis Satellite Symposium

16.00 - 16.30 Coffee-Break and poster session №8 - Nursing

Session A12

16.30 - 17.15 Bayer Satellite Symposium

17.15 - 18.00 Servier Satellite Symposium

18.00 Farewell party

9.00 - 10.00 THE BEST OF XIV NATIONAL CONGRESS OF CARDIOLOGY, MODERATED POSTERS AND YOUNG INVESTIGATOR AWARDS

10:00 CLOSING OF XIV NATIONAL CONGRESS OF CARDIOLOGY

Room B Astera Hotel

Session B1

14.30 - 16.00 Scientific session of the Valvular Heart Disease working group „Multivalvular lesions“

Session B2

16.30 - 17.15 Abbott Satellite Symposium

17.15 - 18.00 Servier Satellite Symposium

Session B3

8.30 - 10.00 Scientific session of working group of Heart failure and cardiomyopathies „Treatment of heart failure - rules and molecules“

Session B4

10.30 - 11.30 Merck Satellite Symposium

11.30 - 12.00 Lecture dedicated to Prof. Ch. Nachev - *A. Postadzhiyan*

Session B5

13.00 - 14.30 Scientific session ESC 2014 Guidelines Overview

Session B6

14.30 - 15.30 Debate session „Controversies in antithrombotic therapy“

Session B7

16.00 - 17.00 HF patient with chronic kidney disease. How to treat? The nephrologist's and cardiologist's point of view

17.00 - 17.30 Focus lecture A challenge of the advanced heart failure *D. Milicic*

Session B8

08.30 - 10.00 Scientific session of the Echocardiography working group „Echo assessment of the diastolic dysfunction“

10.00 - 10.30 Berlin Chemie Satellite Symposium

Session B9

13.30 - 14.15 Novartis Satellite Symposium

14.15 - 14.40 Focus lecture - Heart Failure: Molecular Mechanisms of Development and Treatment Approaches *E. Shlyakhto*

14.40 - 15.00 Focus lecture - Guidelines in diagnostics and treatment of cardiomyopathies *A. Tschirkov*

Session B10

15.00 - 15.20 Focus lecture - The 2D/3D TEE estimation of the Thoracic Aortic Atherosclerosis *I. Vlasseros*

15.20 - 15.40 Focus lecture - Can echo methods improve risk prediction in cardiology *K. Hristova*

15.40 - 16.00 Focus lecture - Coronary calcium score for CV risk prediction *A. Angelov*

Session B11

16.30 - 17.00 Focus lecture - Challenges in management of subclinical atherosclerosis - what, who, when and why? *Z. Fras*

17.00 - 17.30 Focus lecture - Vascular risk factors and brain ageing *L. Traykov*

17.30 - 18.00 Focus lecture - Obstructive sleep apnea *O. Georgiev*

02.10.
Thursday

03.10.
Friday

Saturday

05.10.
Sunday

2014

Room C Marina Grand Beach Hotel

Room D Atlas Hotel

02.10.
Thursday

Session C1

14.30 - 16.00 Scientific session of the Pharmacotherapy working group
„New trends in pharmacological treatment of CV diseases“

16.00 - 16.30 Coffee-Break, Official Opening of Exhibition and poster session №1 - percutaneous interventions

Session C2

16.30 - 18.00 Scientific session of Arterial hypertension working group
„Arterial stiffness - clinical value and therapeutic implication“

Session D1

14.30 - 16.00 Scientific session of the Epidemiology, Prevention and Rehabilitation working group
„Assessment of CV risk beyond traditional risk factors“

Session D2

16.30 - 18.00 Scientific Session of the Women and cardiovascular risk working group
„Women's heart in norm and pathology“

19:00 Welcome drink

Session C3

8.30 - 10.00 Scientific session of the working group of ACS
„Treatment and follow-up of patient with ACS - what we really know“

Session D3

8.30 - 10.00 Scientific session of Pediatric cardiology working group
„Guidelines in pediatric practice“

10.00 - 10.30 Coffee-Break and poster session № 2 - Ischemic heart disease

Session C4

10.30 - 12.00 Scientific session of Bulgarian association of pacing and electrophysiology
/first part/

Session D4

10.30 - 12.00 Scientific Session Emergency Medicine
„Update on cardiopulmonary resuscitation“

12.00 - 13.00 Lunch, poster session №3 - arrhythmia and pacing

Session C5

13.00 - 14.30 Scientific session of Bulgarian association of pacing and electrophysiology
/second part/

Session D5

13.00 - 14.30 Scientific session „Lessons learnt from negative trials“

Session C6

14.30 - 15.00 Lecture, dedicated to Prof. G. Urumov - I. Kojucharov

15.00 - 15.30 Focus lecture - Catheter ablation of ventricular tachycardia in structural heart disease: current indications, advances, and future perspectives **B.Dinov**

Session D6

14.30 - 15.30 Scientific session „The best of the Bulgarian Cardiology Journal“

15.30 - 16.00 Coffee-Break and poster session №4 - Heart failure and cardiomyopathies and №5 - Prevention

Session C7

16.00 - 17.30 Scientific session „Infective endocarditis - the modern collision with the old disease“

Session D7

16.00 - 17.30 Scientific session „Young investigator“

Session C8

08.30 - 10.00 Scientific session: „Clinical case that I want to forget, but others need to know“

Session D8

08.30 - 09.00 Focus lecture - Mechanisms of Vascular Ageing. **J. Cockcroft**

09.00 - 10.00 Debat session „Are we currently static with statins. Is there a real need to move beyond current standarts of care?“

10.00 - 10.30 Polpharma, KRKA, Inter Business 91 Presentations

10.00 - 10.30 Lecture, dedicated to Prof. D. Velichkova - M. Tzonzarova

10.30 - 11.00 Coffee-Break, General meeting of Bulgarian Society of Interventional Cardiology /room B/ and poster session №6 - Echocardiography and valvular diseases

Session D9

11.00 - 12.30 Scientific session of Pediatric Cardiology working group. Oral presentations /first part/

12.30 - 13.30 - Lunch, poster session №7 - Varia

Session C9

13.30 - 15.00 Scientific Session of the Bulgarian Society of Interventional Cardiology -
„Extracoronary interventions“

Session D10

13.30 - 15.00 Scientific session of Pediatric Cardiology working group.
Oral presentations /second part/

Session C10

15.00 - 16.00 Joint session of BSC and BNSAVS

Session D11

15.00 - 16.00 Scientific session *Molecular Medicine and Genetics - routine practice or distant future?*

16.00 - 16.30 Coffee-Break and poster session №8 - Nursing

Session C11

16.30 - 18.00 Scientific session „Can a patient be too old to receive...“

Session D12

16.30 - 18.00 Scientific session „Orphan diseases in cardiology“

18.00 Farewell party

03.10.
Friday

04.10.
Saturday

05.10.
Sunday

USEFUL INFORMATION

Venue

XIV-National Congress of Cardiology is held in Astera, Marina Grand Beach and Atlas Hotels of Zlatni Pyasatzi Resort, Varna.

The resort is situated 16 km north of the city of Varna and 24 km from its airport. It is a modern resort with traditions, and history going back 50 years. A unique blend of lovely nature park, warm sea, and fine golden sand! Golden Sands is the winner of a "Blue Flag" - a prestigious international award for environmentally clean resorts.

Registration

The Registration Desk, located in the lobby of Astera Hotel will operate from 8:30 h on 2 October /Thursday/ until the end of the Congress.

Participants are kindly requested to wear badges during the Congress as they provide access to the working premises, exhibition and the restaurant of the respective hotel of accommodation.

By scanning the QR code with the respective application of your mobile device you get quick access to the web site of the Congress.

QR code

Official languages of the Congress

Official languages of the Congress are Bulgarian and English. No interpretation is provided for the sessions.

Information for speakers

Speakers are kindly requested to upload their presentations a day in advance or at least three hours before its start to the technical staff in the respective room.

Connection of personal laptops to multimedia projectors for the presentations' delivery is not accepted. Speakers are kindly requested to strictly follow their fixed time for presentation according to the program.
