

2.10.2014 - Thursday				
hours	Room A	Room B	Room C	Room D
	Session A1	Session B1	Session C1	Session D1
14.30 - 15.00	Scientific Session of the Bulgarian Society of Interventional Cardiology - <i>"Coronary interventions - dilemmas in everyday practice"</i>	Scientific session of the Valvular Heart Disease working group <i>"Multivalvular lesions"</i>	Scientific session of the Pharmacotherapy working group <i>"New trends in pharmacological treatment of CV diseases"</i>	Scientific session of the Epidemiology, Prevention and Rehabilitation working group <i>"Assessment of CV risk beyond traditional risk factors"</i>
15.00 - 15.30				
15.30 - 16.00				
	16.00-16.30 ч. Coffee-Break, Official Opening of Exhibition and poster session №1 - percutaneous interventions			
	Session A2	Session B2	Session C2	Session D2
16.30 - 17.00	Berlin-Chemie Satellite Symposium	16.30 - 17.15 Abbott Satellite Symposium	Scientific session of Arterial hypertension working group <i>"Arterial stiffness - clinical value and therapeutic implication"</i>	Scientific Session of the Women and cardiovascular risk working group <i>"Women's heart in norm and pathology"</i>
17.00 - 17.30				
17.30 - 18.00		17.15 - 18.00 Servier Satellite Symposium		
18.00	Room A - Lecture, dedicated to Prof. Y. Belov - Prof. A. Goudev			
18.30	Room A - OFFICIAL OPENING OF XIV NATIONAL CONGRESS OF CARDIOLOGY			
19.00	Welcome drink			

3.10.2014 - Friday				
hours	Room A	Room B	Room C	Room D
	Session A3	Session B3	Session C3	Session D3
8.30 - 9.00 9.00 - 9.30 9.30 - 10.00	Joint session of the European Society of Cardiology and Bulgarian Society of Cardiology	Scientific session of working group of Heart failure and cardiomyopathies <i>"Treatment of heart failure - rules and molecules"</i>	Scientific session of the working group of ACS <i>"Treatment and follow-up of patient with ACS - what we really know"</i>	Scientific session of Pediatric cardiology working group <i>"Guidelines in pediatric practice"</i>
	10.00 - 10.30 Coffee-Break and poster session № 2 - Ischemic heart disease			
	Session A4	Session B4	Session C4	Session D4
10.30 - 11.00 11.00 - 11.30 11.30 - 12.00	Pfizer Satellite Symposium	Merck Satellite Symposium Lecture dedicated to Prof. Ch. Nachev - Ass. Prof. A.Postadzhiyan	Scientific session of Bulgarian association of pacing and electrophysiology /first part/	Scientific Session Emergency Medicine <i>"Update on cardiopulmonary resuscitation"</i>
	12.00 - 13.00 Lunch, poster session №3 - arrhythmia and pacing			
	Session A5	Session B5	Session C5	Session D5
13.00 - 13.30 13.30 - 14.00 14.00 - 14.30	Session dedicated to Dr. A.Doganov Joint session of BSC, Bulgarian Society of cardiac surgery and Heart and Health Foundation of Turkey <i>"Treatment options for elderly patients with aortic stenosis in 2014"</i>	Scientific session <i>ESC 2014 Guidelines Overview</i>	Scientific session of Bulgarian association of pacing and electrophysiology /second part/	Scientific session <i>"Lessons learnt from negative trials"</i>
	Session A6	Session B6	Session C6	Session D6
14.30 - 15.00 15.00 - 15.30	Boehringer Ingelheim Satellite Symposium	Debate session <i>"Controversies in antithrombotic therapy"</i>	Lecture, dedicated to Prof. G. Urumov - I.Kojucharov <i>Focus lecture</i> Catheter ablation of ventricular tachycardia in structural heart disease: current indications, advances, and future perspectives B.Dinov	Scientific session <i>"The best of the Bulgarian Cardiology Journal"</i>
	15.30 - 16.00 Coffee-Break and poster session №4 - Heart failure and cardiomyopathies and №5 - Prevention			
	Session A7	Session B7	Session C7	Session D7
16.00 - 16.30 16.30 - 17.00 17.00 - 17.30 17.30 - 18.00	16.00-16.20 Presentation Sanofi-Aventis Astra Zeneca Satellite Symposium	HF patient with chronic kidney disease. How to treat? The nephrologyst's and cardiologyst's point of view <i>Focus lecture</i> A challenge of the advanced heart failure D. Milicic	Scientific session <i>"Infective endocarditis - the modern collision with the old disease"</i>	Scientific session <i>"Young investigator"</i>
17.30 - 18.00	Room A - Lecture, dedicated to Prof. I. Tomov - Prof. N. Gocheva			
18.00	Room A - General meeting of BSC			

4.10.2014 - Saturday				
hours	Room A	Room B	Room C	Room D
	Session A8	Session B8	Session C8	Session D8
8.30 - 9.00	Focus lecture - Percutaneous closure of patent foramen ovale <i>J. Bialkowski</i>	Scientific session of the Echocardiography working group "Echo assesement of the diastolic dysfunction"	Scientific session: <i>"Clinical case that I want to forget, but others need to know"</i>	Focus lecture - Mechanisms of Vascular Ageing. <i>J. Cockcroft</i>
9.00- 9.30	Focus lecture - Challenges and solutions in primary percutaneous coronary interventions <i>Z. Perisic</i>			Debat session "Are we currently static with statins. Is there a real need to move beyond current standarts of care?"
9.30 - 10.00	Scientific session: <i>"Choice of revascularisation in patients with multivessel CAD"</i>			
10.00 - 10.30		Berlin Chemie Satellite Symposium	Polpharma, KRKA, Inter Business 91 Presentations	Lecture, dedicated to Prof. D. Velichkova <i>Prof. M. Tzonzarova</i>
10.30 - 11.00 Coffee-Break, General meeting of Bulgarian Society of Interventional Cardiology /room B/ and poster session №6 - Echocardiography and valvular diseses				
	Сесия А9			Сесия D9
11.00 - 11.30	Astra Zeneca Satellite Symposium			Scientific session of Pediatric Cardiology working group. Oral presentations /first part/
11.30 - 12.00				
12.00 - 12.30				
12.30 - 13.30 - Lunch, poster session №7 - Varia				
	Session A10	Session B9	Session C9	Session D10
13.30 - 14.00	Teva Satellite Symposium	13.30-14.15 - Novartis Satellite Symposium	Scientific Session of the Bulgarian Society of Interventional Cardiology - <i>"Extracoronary interventions"</i>	Scientific session of Pediatric Cardiology working group. Oral presentations /second part/
14.15- 14.40		Focus lecture - Heart Failure: Molecular Mechanisms of Development and Treatment Approaches <i>E. Shlyakhto</i>		
14.40 - 15.00		Focus lecture - Guidelines in diagnostics and treatment of cardiomyopathies <i>A.Tschirkov</i>		
	Session A11	Session B10	Session C10	Session D11
15.00- 15.20	Actavis Satellite Symposium	Focus lecture - The 2D/3D TEE estimation of the Thoracic Aortic Atherosclerosis <i>I. Vlasserov</i>	Joint session of BSC and BNSAVS	Scientific session <i>Molecular Medicine and Genetics - routine practice or distant future?</i>
15.20- 15.40		Focus lecture - Can echo methods improve risk prediction in cardiology <i>K. Hristova</i>		
15.40 - 16.00		Focus lecture - Coronary calcium score for CV risk prediction <i>A. Angelov</i>		
16.00 - 16.30 Coffee-Break and poster session №8 - Nursing				
	Session A12	Session B11	Session C11	Session D12
16.30 - 17.00	16.30 - 17.15 Bayer Satellite Symposium	Focus lecture -Challenges in management of subclinical atherosclerosis - what, who, when and why? <i>Z. Fras</i>	Scientific seession <i>"Can a patient be too old to receive..."</i>	Scientific session <i>"Orphan diseases in cardiology"</i>
17.00 - 17.30	17.15 - 18.00 Servier Satellite Symposium	Focus lecture - Vascular risk factors and brain Ageing <i>L. Traykov</i>		
17.30- 18.00		Focus lecture - Obstructive sleep apnea <i>O.Georgiev</i>		
18.00	Farewell party			

5.10.2014 - Sunday				
hours	Room A	Room B	Room C	Room D
9.00 - 10.00	Room A - THE BEST OF XIV NATIONAL CONGRESS OF CARDIOLOGY, MODERATED POSTERS AND YOUNG INVESTIGATOR AWARDS			
10.00	Room A - CLOSING OF XIV NATIONAL CONGRESS OF CARDIOLOGY
