*Welcome to 4Ts meeting*

**Omar K. Hallak, MD**

*Consultant Interventional Cardiologist*

*It is my great pleasure to announce the date for the 1<sup>st</sup> Annual Conference of 4TS which stands for Top To Toe Transcatheter Solution. Exactly as the name of this meeting, it will include cases of Intracerebral Vascular Intervention and aneurysm obliteration, Carotid Intervention, Coronary Intervention, Structural Heart Disease Intervention, Thoracic and Abdominal Aorta Intervention and Peripheral Vascular Intervention down below the knee. These cases will be presented by the expert in the fields of Interventional Cardiologist, Interventional Radiologist, and Endovascular Surgeons from around the world. In this meeting will have team approach management and different ways of dealing with the global vascular problems.*

*It is my immense pleasure and honor to invite you to present a case or more which may enrich our experiences in this field.*

*If you want to be a presenter or moderator, please reach me at the contacts indicated below.*

This meeting will take place in the beautiful city of Dubai, the top destination for tourism from around the world.
