4-7 October 2012

Inter Expo Center - **Sofia**

Joint sessions with
European Society of Cardiology

EUROPEAN
SOCIETY OF
CARDIOLOGY®

2012

Room A

Room B

Hall 4

04.10. Thursday	15:00 - 16:30	Scientific Session: Interventional Cardiology - Presentation of own experience	15:00 - 16:30	Joint session of BSC and Bulgarian society of clinical laboratory
	16:30 - 16:45 Coffee-Break, Official Opening of Exhibition, Meeting of the Valvular Heart Disease working group			
	16:45 - 17:15	Focus Lecture: Cardiovascular disease prevention – the clinical challenges, <i>Wood, D.</i>	16:45 - 17:15	Focus Lecture: Alcohol and cardiovascular prevention <i>Nikolov, F.</i>
	17:20 - 17:50	Focus Lecture: The new European Guidelines on CVD Prevention 2012, <i>Kotzeva, K.</i>	17:20 - 17:50	Focus Lecture: Pulmonology of Today - Achievements and Prospects <i>Ivanov, Y.</i>
	17:55 - 18:20	Lecture, dedicated to prof. Yuri Belov, <i>Katova, T.</i>		
18:30 - 19:30 OFFICIAL OPENING OF XIII NATIONAL CONGRESS OF CARDIOLOGY				
19:30 Cocktail				
05.10. Friday	08:00 - 09:30	Scientific session of Interventional Cardiology – Clinical Cases	08:00 - 09:30	Scientific session of the Pharmacotherapy working group <i>With educational grant from Teva</i>
	9:30 - 10:00 Coffee-Break (visit of Exhibition and Poster Session), Meetings of working group of Heart failure and cardiomyopathies, Meeting of Pharmacotherapy working group			
	10:00 - 11:30	Joint session of BSC and ESC: Acute Cardiac Care <i>With educational grant from Actavis</i>	10:00 - 11:30	Scientific Session of the Women and cardiovascular risk working group
	11:30 - 12:00 Coffee-Break (visit of Exhibition and Poster Session), Meetings of Women and cardiovascular risk working group, Pediatric cardiology working group, working group of Epidemiology and Prevention			
	12:00 - 12:30	Focus Lecture: Acute ST Elevation Myocardial Infarction: Lessons Learned and Roads Untraveled, <i>Armstrong, P.</i>	12:00 - 13:30	Scientific session: Bulgaria in clinical trials <i>With educational grant of Bulgarian Association of Clinical Research</i>
	12:35 - 13:05	Focus Lecture: DECENTRALIZED Testing in Cardiology, <i>Ubby, J.</i>		
	13:10 - 13:40	Focus Lecture: Asymptomatic atrial fibrillation-How Frequent is it and its clinical Implications, <i>Breithardt, G.</i>		
	13:30 - 14:30 Lunch Break			
	14:30 - 15:00	Anniversary Lecture: 100 years myocardial infarction, <i>Gocheva, N.</i>	14:30 - 15:00	Lecture dedicated to prof. Chudomir Nachev <i>Goudev, A.</i>
	15:05 - 15:55	Servier Satellite Symposium: Slow heart - beat disease	15:05 - 15:50	Bayer Satellite Symposium: Atrial fibrillation - a new epidemics of 21 st century
	16:05 - 16:30 Coffee-Break (visit of Exhibition and Poster Session)			
	16:30 - 18:00	Scientific session of the working group of ACS	16:30 - 18:00	Joint scientific session of BSC and the Bulgarian Society of Neurology
18:00 - 18:30 Coffee-Break (visit of Exhibition and Poster Session), Meeting of the working group of ACS				
18:30 - 20:00	AstraZeneca Satellite Symposium: Upheaval in antiplatelet therapy	18:30 - 19:15	Berlin Chemie Satellite Symposium: Differences in family of ACE inhibitors	
06.10. Saturday	08:00 - 08:25	Focus Lecture: MSCT in complex coronary Intervention, <i>Degertekin, M.</i>	08:00 - 09:30	Scientific session of GPs – part I Joint session of BSC and NASGP
	08:30 - 08:55	Focus Lecture: Rationale for Functional Assessment of Coronary Stenoses in Patients with MVD, <i>Heyndrickx, G.</i>		
	09:00 - 09:25	Focus Lecture: Risk assessment: The Key to Unlocking Acute Non ST Elevation Acute Coronary Syndromes (NSTEACS), <i>Armstrong, P.</i>		
	9:30 - 10:00 Coffee Break (visit of Exhibition and Poster Session)			
	10:00 - 11:30	Scientific Session: Interventional Cardiology - Invasive Cardiology accents	10:00 - 11:30	Scientific session: Pulmonary arterial hypertension <i>With educational grant from Actellion</i>
	11:30 - 12:00 Coffee-Break (visit of Exhibition and Poster Session)			
	12:00 - 13:00	Actavis Satellite Symposium: In support of aggressive treatment with statins for better control of cardiovascular risk	12:00 - 13:00	Merck Serono Satellite Symposium: Beta-blockers - controversial and compelling application areas
	13:00 - 14:00 Lunch Break			
	14:00 - 15:30	Scientific session of the Echocardiography working group	14:00 - 15:30	Interactive training session for GPs second part - ECG <i>Joint scientific session of the BSC with NASGP - voting system is courtesy of NASGPs</i>
	15:30 - 16:00 Coffee-Break (visit of Exhibition and Poster Session), Meeting of the Echocardiography working group			
16:00 - 16:30	Focus Lecture: Current solved and unsolved questions in CRT, <i>Milasinovic, G.</i>	16:00 - 17:30	Scientific session: Peripheral vascular disease	
16:35 - 17:05	Focus Lecture: Year in Review in Acute Coronary Syndromes, <i>Giugliano, R.</i>			
17:15 - 17:45	Focus Lecture: Highlights of the new ESC heart failure guidelines, 2012 <i>McMurray, J.</i>			
17:30 - 18:00 Break (visit of Exhibition)				
18:00 - 19:30	Actavis Satellite Symposium: Stable angina – past, present and future	18:00 - 18:45	Eli Lilly Satellite Symposium	
19:45 Cocktail				
07.10. Sunday	08:30 - 10:00	Scientific session: The best from Bulgarian Cardiology magazine <i>With educational grant from Pfizer</i>		
	10:00 - 10:30 Coffee-Break			
	10:30 - 12:00	The most important developments in cardiology during the year, according to the chairmen of the working groups		
	11:00 - 13:30	General meeting of BSC		
	13:30 - 13:45 CLOSING OF CONGRESS			

2012

Room Vitosha

Room Musala

Congress Center

04.10. Thursday	15:00 - 16:30	Scientific session of the Valvular Heart Disease working group	15:00 - 16:30	Joint scientific session of the BSC and the Bulgarian Association of Health Care Professionals
	16:30 - 16:45 Coffee-Break, Official Opening of Exhibition, Meeting of the Valvular Heart Disease working group			
	16:45 - 17:15	Focus Lecture: Sport and Right ventriculare – echocardiographi criteria <i>Gruev, I.</i>	16:45 - 17:15	Focus Lecture: Antihypertensive therapy and circulation of target organs. J –curve. Clinical significance <i>Torbova, S.</i>
17:20 - 17:50	Focus Lecture: The Mystery of HDL - cholesterol <i>Vladimirova, L.</i>			
19:30 Cocktail				
05.10. Friday	08:00 - 09:30	Scientific session of working group of Heart failure and cardiomyopathies: Heart failure - mechanism of occurrence, diagnosis and treatment. New facts and new strategies	8:00 - 9:30	Scientific session of Pediatric Cardiology working group
	9:30 - 10:00 Coffee-Break (visit of Exhibition and Poster Session), Meetings of working group of Heart failure and cardiomyopathies, Meeting of Pharmacotherapy working group			
	10:00 - 11:30	Scientific session of the Epidemiology and Prevention of Cardiovascular Disease working group	10:00 - 11:30	Scientific session of Pediatric cardiology working group - Varia II part
	11:30 - 12:00 Coffee-Break (visit of Exhibition and Poster Session), Meetings of Women and cardiovascular risk working group, Pediatric cardiology working group, working group of Epidemiology and Prevention			
	12:00 - 13:30	Scientific Session: Atherosclerosis	12:00 - 13:30	Scientific session of Pediatric Cardiology working group Theory
	13:30 - 14:30 Lunch Break			
	14:30 - 15:00	Lecture, dedicated to prof. Georgi Urumov, <i>Balabanski, T.</i> <i>With educational grant from Sanofi</i>	14:30 - 15:00	Lecture, dedicated to prof. Daria Velichkova <i>Pilosoff, V.</i>
	15:05 - 16:05	Novartis Satellite Symposium: How to do more with less?	15:05 - 16:05	Scientific session of Pediatric Cardiology working group
	16:05 - 16:30 Coffee-Break (visit of Exhibition and Poster Session)			
	16:30 - 18:00	Joint session of BSC and Bulgarian association of pacing and electrophysiology: Arrhythmias <i>With educational grant from Medtronic</i>	16:30 - 18:00	Scientific session Young researcher <i>With educational grant from Sopharma</i>
	18:00 - 18:30 Coffee-Break (visit of Exhibition and Poster Session), Meeting of the working group of ACS			
	18:30 - 20:00	Boehringer Ingelheim Satellite Symposium: A new era in anticoagulation therapy		
06.10. Saturday	08:00 - 09:30	Scientific session of BSC and Bulgarian association of pacing and electrophysiology: Permanent electrocardiostimulation	08:00 - 09:30	Scientific Session: Pregnancy and Heart Disease
	9:30 - 10:00 Coffe Break (visit of Exhibition and Poster Session)			
	10:00 - 11:30	Joint session of BSC and the cardiac surgery section of BACCVS	10:00 - 11:30	Scientific Session: Emergency Medicine
	11:30 - 12:00 Coffee-Break (visit of Exhibition and Poster Session)			
	12:00 - 13:00	Astra Zeneca Satellite Symposium: Primary, secondary or episodic prevention with statins in Bulgaria	12:00 - 12:45	Egis Pharmaceuticals Satellite Symposium
	13:00 - 14:00 Lunch Break			
	14:00 - 15:30	Scientific session: Clinical case that I want to forget, but others need to know	14:00 - 14:30	Focus Lecture: Non invasive mechanical ventilation in the management of acute respiratory failure, <i>Kilger, E.</i>
			14:35 - 15:05	Focus Lecture: Role of Echocardiography in selection heart failure patients for CRT, <i>Srbinska - Kostovska, E.</i>
			15:10 - 15:40	Focus Lecture: Practice patterns and clinical outcomes among NSTEMI patients presenting to primary and tertiary care hospitals: Insights from the EARLY-ACS trial, <i>Toleva, O.</i>
	15:30 - 16:00 Coffee-Break (visit of Exhibition and Poster Session), Meeting of the Echocardiography working group			
16:00 - 17:30	Scientific session of Arterial hypertension working group: Office, home and ambulatory blood pressure in daily practice - advantages and disadvantages <i>With educational grant from Servier</i>	16:00 - 17:30	Joint scientific session of the BSC and the Bulgarian society of radiology	
17:30 - 18:00 Break (visit of Exhibition)				
18:00 - 18:45	Servier Satellite Symposium: The power of synergy, for more control and protection			
19:45 Cocktail				
07.10. Sunday				

Venue

XIII NATIONAL CONGRESS OF CARDIOLOGY

will take place in Inter Expo Center – Sofia (IEC). Situated at area of 42 000 sq. m., Inter Expo Center is specialized in organizing of various exhibitions and events in all fields of human activities. At the territory of Inter Expo Center you can use the services of several restaurants, coffee shops, banks and insurance companies.

How to reach IEC?

Metro:

Line 1 – Tzarigradsko Shose station
For more information: www.metropolitan.bg

Bus:

Bus lines, providing direct access to the IEC are: 1, 3, 5, 6, 114
Fore more information: www.sofiatraffic.bg

Official Languages

Official languages of the Congress are Bulgarian and English. No interpretation is provided for the sessions.

QR Code

By scanning the QR code with the respective application of your mobile device you get quick access to the web site of the Congress.
