

PROGRAM

Friday, 17th April, 2015

14:00 - 15:30 Registration

15:30 - 16:00 Symposium - Genzyme

Chairman: K. Hristova /Sofia/

Echocardiographic assessment of rare heart diseases: Fabry disease

E. Kinova /Sofia/

16:00 - 18:00 Session I

Congenital Heart Diseases - in children and adults

Chairman: A. Kaneva /Sofia/

16:00 - 16:24 Postoperative evaluation on lesion on LV outflow tract

I. Velkovski /Sofia/

16:24 - 16:48 Critical aortic stenosis

M. Pavlova /Sofia/

16:48 - 17:12 Bicuspid aortic valve

R. Marinov /Sofia/

17:12 - 17:36 Diagnostic and evolutionary spectrum of subaortic stenosis

I. Velkovski /Sofia/

17:36 - 18:00 Monitoring beyond correction in TOF, affecting the aortic valve

A. Dasheva /Sofia/

18:00 - 18:30 Opening Ceremony

18:30 - 19:30 Symposium of the General sponsor Berlin - Chemie

Chairman: V. Mincheva /Sofia/

Noninvasive approach for assessment of benefits after treatment of heart failure with loop diuretic

K. Hristova /Sofia/, V. Mincheva /Sofia/

19:30 - 20:30 Welcome Drink

Saturday, 18th April, 2015

08:30 - 10:30 Session II

Diseases of the aortic valve - Part I

Chairman: E. Kinova /Sofia/

08:30 - 08:50 Diseases of the aorta - the role of echocardiography

Tz. Katova /Sofia/

08:50 - 09:10 Aortic valve assessment - 2D/3D Echocardiography - norm and pathology

K. Hristova /Sofia/

09:10 - 09:30 Aortic Stenosis - the challenge of recommendations

V. Mincheva /Sofia/

09:30 - 09:50 Low gradient and small outflow tract Aortic stenosis with low and normal EF

I. Simova /Sofia/

09:50 - 10:10 Dyssynchrony in aortic stenosis

K. Hristova /Sofia/

10:10 - 10:30 Congenital Left Heart Obstructive Lesions: SubAS, Supravalvar AS, Coarctation

W. Budts /Belgium/

10:30 - 11:00 Coffee - break

11:00 - 12:30 Session III

Prosthetic aortic valve

Chairman: N. Zlatareva/L. Vladimirova

11:00 - 11:20 Echocardiographic assessment on prosthetic aortic valve

R. Radoslavova /Varna/

11:20 - 11:40 Prosthetic aortic valve dysfunction

F. Flachskampf /Sweden/

11:40 - 12:00 Patient - prosthetic mismatch or stenosis on prosthetic aortic valve?

E. Kinova /Sofia/

12:00 - 12:20 Endocarditis on native and prosthetic aortic valve - diagnostic and therapeutic behavior

E. Srbinovska /Republic of Macedonia/

12:20 - 12:30 Discussion

12:30 - 13:30 Lunch

13:30 - 15:30 Session IV

Diseases of the aortic valve - Part II

Chairman: S. Marchev /Pleven/

13:30 - 15:30 Aortic regurgitation - etiology

I. Gruev /Sofia/

13:30 - 13:50 Aortic regurgitation - the challenge of recommendations

R. Shabani /Sofia/

13:50 - 14:10 Monitoring of patients with aortic regurgitation and timing of valve replacement

Y. Yotov /Varna/

14:10 - 14:30 Valve replacement - either for or against TAVI

I. Petrov /Sofia/

14:30 - 14:50 Complex aortic regurgitation

F. Flachscampf /Sweden/

14:50 - 15:10 Risk assessment in patients with aortic valve diseases

P. Panayotov /Varna/

15:10 - 15:30 Behavior of anticoagulant therapy in valvular diseases - after AVR, before and during pregnancy, during IE, the place of NOA

A. Postadjian /Sofia/

15:30 - 16:00 Coffee - break

16:00 - 18:00 Session V

Risk assessment in asymptomatic high-grade aortic stenosis

Chairman: Y. Yotov /Varna/

16:00 - 16:24 The role of the stress - tests and stress echocardiography

E. Plonska /Poland/

16:24 - 16:48 Calcification of the aortic valve and evaluation with CT

G. Kirova /Sofia/

16:48 - 17:12 Neuro-hormonal abnormalities

I. Gruev /Sofia/

17:12 - 17:36 The role of MRI in assessment on myocardial fibrosis

K. Genova /Sofia/

17:36 - 18:00 Diseases of aortic valve - AS/AR and myocardial deformation

E. Donal /France/

18:30 - 19:30 Dinner

19:30 - 21:00 Candle light echo session

Chairmen: E. Kinova, I. Iotov, S. Marchev, P. Panayotov, I. Gruev, R. Shabani, M. Pavlova, I. Velkovski, R. Radoslavova, K. Hristova, I. Simova, E. Plonska, E. Donal

1. Clinical case - Medical Academy - Panayotova, Medical University /Varna/
2. Clinical case - Medical Academy - R. Shabani, Aleksandrovska Hospital /Sofia/
3. Clinical case - Tsonev, City Clinic /Sofia/
4. Clinical case - Medical Academy - National Heart Hospital /Sofia/
5. Clinical case - Medical Academy - Cardiolife /Varna/
6. Clinical case - University Hospital Tzaritza Ioanna ISUL /Sofia/
7. Clinical case - M. Pavlova /Sofia/
8. Clinical case - I. Velkovski /Sofia/
