# Bulgarian Participation ESC Congress 2019

31 - 4 September 2019, Paris - France

## August 31, 2019

**Poster Session 1:** High risk percutaneous coronary intervention: STEMI, CTO, atherectomy bifurcations hock Sat 31 Aug 11:00 - 16:00 European Society of Cardiology

Poster Session, Abstract-based Programme Posters - Poster Area

**11:00 P969** Predictors of survival after bifurcation stenting (practical insights from COSIBRIA registry) Kiril KARAMFILOFF (Sofia, Bulgaria)

Optimize heart failure care program - Countries' experience sharing **Sat 31 Aug 11:30 - 12:00**

Chronic Heart Failure - Clinical Practical Tutorials Practical Tutorial 8 - Exhibition 1

Chairpersons: Yoto Trifonov YOTOV (Varna, Bulgaria)

## September 1, 2019

Interventional therapy for heart failure **Sun 01 Sep 11:00 - 12:30**

Chronic Heart Failure – Treatment Symposium Sarajevo - Village 5

Chairpersons: Piotr PONIKOWSKI (Wroclaw, Poland), Mariya TOKMAKOVA (Plovdiv, Bulgaria)

PCI outcomes: focus on long term follow-up Sun 01 Sep 12:40 - 13:30 Coronary Intervention

Moderated Posters, Abstract- based Programme Moderated ePoster 7 - Poster Area

**12:40 P1963** The determinants of functional significance of coronary bifurcation lesions and its implications on clinical follow up to 48 months (insights from FIESTA registry) Kiril KARAMFILOFF (Sofia, Bulgaria)

Tips and tricks to prevent, diagnose and treat Cardiac Implantable Electronic Device (CIED) infections **Sun 01 Sep 16:40 - 17:50** Arrhythmias, General Symposium Berlin - Village 4

Chairpersons: Carina BLOMSTROM-LUNDQVIST (Uppsala, Sweden), Vassil TRAYKOV (Sofia, Bulgaria)

## September 2, 2019

**Poster Session 5:** Hypertension treatment: drugs and devices Mon 02 Sep 14:00 - 18:00

European Society of Cardiology Poster Session, Abstract-based Programme

Posters - Poster Area

**14:00 P4566** Comparison of standard renal denervation procedure versus novel distal and branch vessel ablation with brachial arterial access  
Iskren GARVANSKI (Sofia, Bulgaria)

**September 3, 2019**

Advances in stress echocardiography in different clinical scenarios Tue 03 Sep 10:05 - 10:55  
Stress Echocardiography Moderated Posters, Abstract- based Programme  
Moderated ePoster 1 - Poster Area

**10:05 P4985** Blunted heart rate reserve as an imaging-independent predictor of abnormal left ventricular contractile reserve Iana SIMOVA (Sofia, Bulgaria)

Expert Advice - Challenging percutaneous coronary interventions **Tue 03 Sep 11:00 - 12:30**  
Coronary Intervention Focus with the Experts, Mobile App - Vote and Ask a Question  
Tallinn - Village 7

Chairpersons: Andreas BAUMBACH (London, United Kingdom of Great Britain & Northern Ireland), Ivo PETROV (Sofia, Bulgaria)

Challenging PCI cases **Tue 03 Sep 14:30 - 15:40** Coronary Intervention Clinical Cases  
Case Corner 2 - Poster Area

Chairpersons: Ivo PETROV (Sofia, Bulgaria), Harshawardhan MARDIKAR (Nagpur, India)
