Invitation

This is an invitation to join us at the **Sixth Annual Scientific Congress of the European Cardiac Arrhythmia Society "ECAS" to be held in Munich, Germany April 16th to 18th, 2010 at the prestigious Hotel Bayerischer Hof. All those who attended previous editions of ECAS Congress know that it is a highly scientific and educational event in a cheerful atmosphere which facilitates the interaction between the renowned Faculty and younger colleagues in the field. This edition promises to be particularly successful and we will be delighted to welcome you in Munich.**

Riccardo Cappato, MD President of ECAS
Gerhard Steinbeck, MD Congress Chairman
Samuel Lévy, MD Congress co-Chairman

Peters ; Dubravko Petrac ; Eric Prystowsky ; Antonio Raviele ; Amiran Revishvili ; Sanjeev Saksena ; Gerhard Steinbeck ; Massimo Santini ; Neil Sulke ; Hein Wellens ; Bruce Wilkoff.

Program Structure

Plenary Sessions and Symposia will cover the various hot topics of modern arrhythmology and will be addressed by internationally known speakers. Two major topics will be highlighted this year Arrhythmias from mechanisms to management and Implantable device therapy : Current and future role.

Workshops : Workshops on practical aspects of clinical arrhythmology seven of which were particularly successful in previous years will be part of the 2010 program :

- Update on catheter ablation of atrial fibrillation
- Interpretation of intracardiac recordings
- Cardiac Resynchronization Therapy (CRT)
- CRT and Pacemaker ECG interpretation
- Techniques and tools for AF ablation
- Recent developments in anticoagulation for AF
- Management of syncope

Abstracts for oral or poster presentation

Abstracts on all cardiac arrhythmia topics are welcomed and will be presented during simultaneous sessions entirely devoted to the most recent research and will not competing with plenary lectures or workshops. All accepted posters will be presented in a chaired session to the audience.
