

XII National Congress of Cardiology

7 - 10 October 2010, Albena Resort

Poster Requirements

Poster sessions will be performed in the lobby of Dobrudzha hotel.

Poster boards are with height of 200cm and width of 100cm.

Each poster has a poster number, which will be written on the board, on which the poster will be displayed.

Posters will be displayed between 08:00 and 08:30 on the corresponding day, available to the delegates throughout the day and removed between 19:00 and 19:30 on the same day.

During the poster session, the author should stay near his poster for discussion.

Moderated posters will be presented by the authors within 3 minutes; this presentation will be followed by a 2 minute-discussion.

Each poster should include:

- Title and author, respective institutions
- Objective
- Material and methods
- Results
- Conclusions

The text should be presented in a type size enabling its readability from a 2m-distance.

The use of colour print would make your poster more attractive and impressive.

Push pins and other writing materials will be available at the Registration desk in the lobby of Dobrudzha hotel.
