**Growing together today,
securing excellence tomorrow!**

Club 35: the EACVI young community

The next generation of experts
in Cardiovascular Imaging
is the future of our field.

THE **EACVI**
YOUNG COMMUNITY

The EACVI Club 35 is a dedicated programme to accompany the youngest professionals in the early stages of their careers as well as enhancing their positions with the CVI community.

Club 35: the EACVI young community

The next generation of experts
in Cardiovascular Imaging
is the future of our field.

The EACVI Club 35 is a dedicated programme to accompany the youngest professionals in the early stages of their careers as well as enhancing their positions with the CVI community.

EACVI Club 35 Membership for 35€ only!

Becoming an EACVI Club 35 member will offer you exclusive benefits and advantages that make an actual difference to your daily clinical practice!

EACVI

JOIN US,
share your expertise
and become a
DRIVING FORCE
in our association!

Join over 900 young experts from 76 countries!!

Membership benefits

For only 35 Euros per year, you get access to a multitude of educational and scientific resources :

Webinars, Echo E-learning course, Basic Echo course, Imaging Toolboxes, WikiEcho, Pocket Size Online course, EACVI Clinical Case Gallery, EduCAD IHD Clinical Cases, resources from congresses, meetings & courses

Membership benefits

- **One year subscription** to the online EHJ-CI
- Complimentary **webinars** (12+/year)
- **Tailored** educational and scientific resources
- **How-to tips:** practical advice from experts on how to write your first scientific paper, how to submit an efficient abstract, how to design a research project etc
- **Dedicated sessions** at the ESC, EuroEcho-Imaging, EuroCMR and ICNC congresses
- **Special rates** for Certification exams and teaching courses
- **Networking** opportunities in all modalities

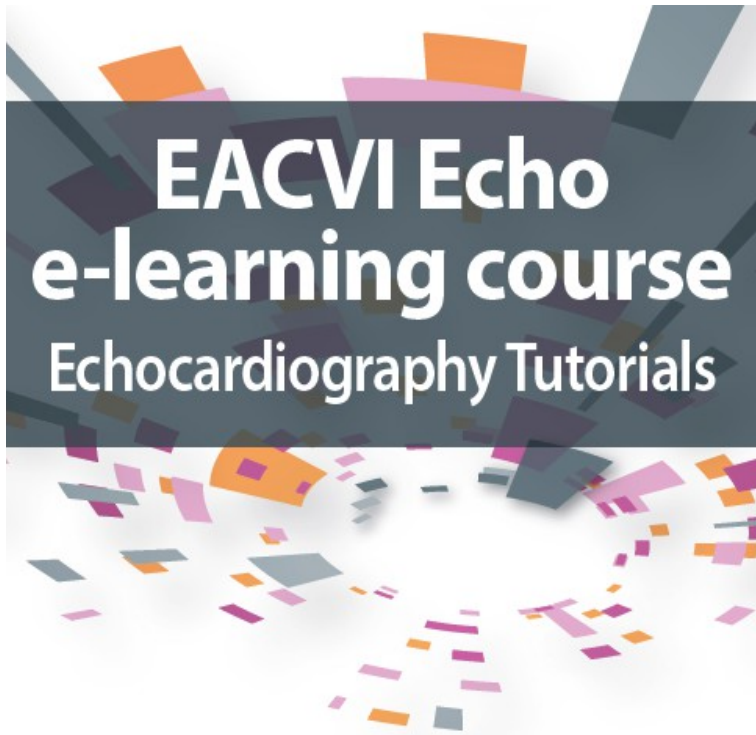

Distance Learning

Expand your knowledge from anywhere !

- Webinars (12+ sessions/year)
- Echocardiography tutorials
- Clinical Case Gallery
- Imaging Tool Boxes
- EduCAD platform
- Pocket Size Echo Course
- Key Reference Libraries
- Slides from Congresses

EACVI Club 35

Comprehensive online course to become an expert and prepare for certification!

www.escardio.org/e-learning-echo

EACVI Club 35: 1 year online subscription

European Heart Journal Cardiovascular Imaging

- **3.669 (New record) Impact Factor 2013**
- **12 issues per year in full colour**

10% discount on Certification exams

Individual **CERTIFICATION**

Over 800 professionals
already certified in **TTE, TEE** and **CHD**

EACVI Certification provides formal acknowledgement to individuals and **European recognition**, governed by a **scientific society**

NEW: Certification now available in:
Nuclear Cardiology & Cardiac Computed Tomography and
Cardiovascular Magnetic Resonance

40% reduction on the EuroEcho-Imaging congress

Save the date
2 - 5 December

KEY FIGURES:

Over **3000** participants

More than **90 countries** represented

4 days of more than **150 scientific sessions**

650 m² exhibition

Over **1450** submitted abstracts

30 hands-on interactive sessions

EACVI congresses

The EACVI welcomes the International CVI experts during its three congresses! Not to be missed!

Cardiovascular Magnetic Resonance

EuroCMR is the leading European event for Cardiovascular Magnetic Resonance organised by the CMR Section of the EACVI.

Nuclear Cardiology & Cardiac CT

ICNC is the key international scientific congress organised by the Nuclear Cardiology & CCT Section of the EACVI, the European Association of Nuclear Medicine (EANM) and the American Society of Nuclear Cardiology (ASNC).

Echocardiography

This year, discover the 3rd World Summit on Echocardiography, co-organised by the EACVI, taking place in Beijing, China.

Special prices on educational products

Abridged recommendations

- Aortic & Pulmonary Regurgitation
- Mitral & Tricuspid Regurgitation
- Infective Endocarditis
- Transcatheter Interventions
- Diastolic Function
- Radiotherapy
- **NEW!** Transoesophageal Echocardiography
- **NEW!** Pericardial Disease

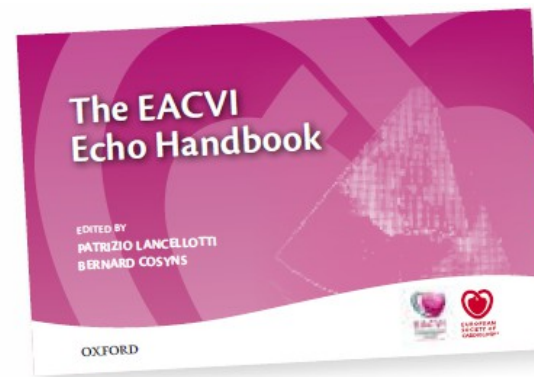

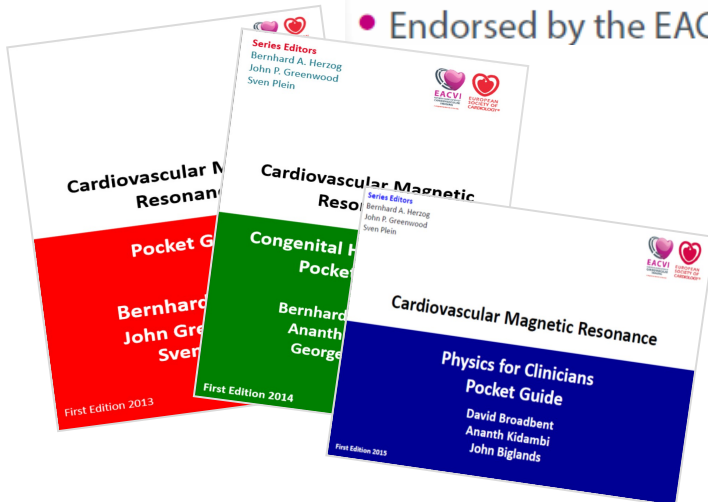

NEW

Compendium 2015

- Complete EACVI recommendations

CMR Pocket Guides

- Endorsed by the EACVI

NEW

Echo Handbook ON PRE-ORDER!

EACVI Club 35: EACVI Imaging Grants

Research & Training programmes

EACVI offers research & training grants to help young candidates in obtaining experience in a high standard academic centre in an ESC member country, other than their own.

A directory of European centres, including detailed information on local facilities has been created by the EACVI Club 35 to support the candidate seeking training positions.
