Dear Colleague,

Your [Cell Biology](#) Newsletter this month features the latest updates and the ten most accessed articles from 2011 so far.

A New Editor-in-Chief...

We are pleased to announce our **NEW** Editor-in-Chief for the [Journal of Enzyme Inhibition and Medicinal Chemistry](#), **Dr Claudiu T. Supuran**.

We would like to welcome Dr Claudiu to the team and are delighted to have his expertise on board.
